LIST OF CONFLICT DATES

- ✓ Please check your school calendar and list all specific dates you do not want matches scheduled.
- ✓ Please also list the reason for each date being requested off. An example is listed on the first line. Remember school dances, exams, and days off.
- ✓ Due to the large number of teams in the league and the limited number of courts in the St. Louis area, it is challenging to accommodate every conflict for every school. Please try to limit the number of dates you do not want matches scheduled and restrict the reasons to school related activities.
